The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**ISSUANCE AND SALE OF  
EL SEGUNDO UNIFIED SCHOOL DISTRICT  
ELECTION OF 2008 GENERAL OBLIGATION BONDS SERIES A  
(FOURTH DISTRICT) (3 VOTES)**

**SUBJECT**

The governing board of the El Segundo Unified School District (the "District") has requested that the County issue general obligation bonds on its behalf in an aggregate principal amount not to exceed \$14,000,000. The bonds were authorized by a vote of the qualified electors of the District and will be issued to finance capital improvements to various school facilities. Repayment of the bonds will be funded from the proceeds of ad valorem taxes levied on all taxable property within the District.

**IT IS RECOMMENDED THAT YOUR BOARD:**

Adopt the resolution authorizing the issuance and sale of the El Segundo Unified School District (Los Angeles County, California) Election of 2008 General Obligation Bonds Series A.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

On November 4, 2008, voters residing in the District approved a ballot measure authorizing the District to issue up to \$14,000,000 in general obligation bonds to fund various capital improvements. The governing board of the District adopted a resolution on December 9, 2008 and determined that the District needs to borrow funds in an

aggregate principal amount not to exceed \$14,000,000 to be used for authorized purposes. This will be the first issuance of bonds authorized under this ballot proposition.

Pursuant to Section 15100 et seq. of the California Education Code, the Board of Supervisors is responsible for offering the District's bonds for sale. The bonds are to be issued in the name and on behalf of the District by the County following receipt of the District's resolution requesting such borrowing.

### **Implementation of Strategic Plan Goals**

This action supports the County's Strategic Plan Goal #3: Organizational Effectiveness through collaborative actions among County departments and other governmental jurisdictions. It supports the Strategic Plan Goal #4: Fiscal Responsibility by providing investment in public school infrastructure within the County.

### **FISCAL IMPACT/FINANCING**

There will be no fiscal impact to the County budget.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The resolution provides for the issuance of bonds at an interest rate not to exceed the maximum rate permitted by law. The final structure of the bonds will be determined at the time of pricing to achieve the lowest cost of financing within the tax levy limits of the proposition. The term of the bonds will not exceed twenty-five (25) years.

The District is recommending a negotiated sale of the bonds to the underwriter, with participation by the Treasurer and Tax Collector in pricing the bonds. The District has selected Piper Jaffray & Co. as underwriter, and the firm of Stradling Yocca Carlson & Rauth as bond counsel. The Treasurer and Tax Collector will appoint U.S. Bank National Association as paying agent.

The County will annually levy and collect ad valorem taxes for the repayment of the bonds on behalf of the District.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Not applicable.

**CONCLUSION**

Upon approval, it is requested that the Executive Officer-Clerk of the Board of Supervisors return two originally executed copies of the adopted resolution to the Treasurer and Tax Collector (Office of Public Finance).

Respectfully submitted,

MARK J. SALADINO  
Treasurer and Tax Collector

Each Capital Appreciation Bond shall be dated, and shall accrete interest from, its date of initial issuance unless otherwise set forth in the Contract of Purchase. Capital Appreciation Bonds will not bear interest on a current basis.

Each Current Interest Bond shall be dated its date of delivery or such date as shall appear in the Contract of Purchase and in the Official Statement (the "Dated Date"), and shall bear interest from the Bond Payment Date next preceding the date of authentication thereof unless it is authenticated as of a day during the period from the 15th day of the month next preceding any Bond Payment Date to that Bond Payment Date, inclusive, in which event it shall bear interest from such Bond Payment Date, or unless it is authenticated on or before July 15, 2009, in which event it shall bear interest from its Dated Date. (b) Redemption.

(i) Optional Redemption. The Bonds shall be subject to optional redemption prior to maturity as provided in the Contract of Purchase and the Official Statement.

(ii) Mandatory Redemption. Any Bonds sold as Term Bonds shall be subject to mandatory sinking fund redemption from monies in the Debt Service Fund established in Section 11 hereof prior to their stated maturity date, at the Principal Amount or Accreted Value thereof, as applicable, without premium on each August 1, in the years and in the amounts as set forth in the Contract of Purchase and the Official Statement.

(iii) Selection of Bonds for Redemption. Whenever provision is made in this Resolution for the optional redemption of Bonds and less than all Outstanding Bonds are to be redeemed, the Bond Registrar, upon written instruction from the District, shall select Bonds for redemption as so directed and, if not directed, shall select the Bonds subject to redemption in inverse order of maturity. Within a maturity, the Bond Registrar shall select Bonds for redemption by lot. Redemption by lot shall be in such manner as the Bond Registrar shall determine; provided, however, that the portion of any Current Interest Bond to be redeemed in part shall be in the Principal Amount of \$5,000 or any integral multiple thereof and the portion of any Capital Appreciation Bond to be redeemed in part shall be in integral multiples of the Accreted Value per \$5,000 Maturity Value thereof.

(iv) Notice of Redemption. When redemption is authorized or required pursuant to this Resolution, the Bond Registrar, upon written instruction from the District in the case of an optional redemption, shall give notice (a "Redemption Notice") of the redemption of the Bonds. Such Redemption Notice shall specify the Bonds or designated portions thereof (in the case of redemption of the Bonds in part but not in whole) which are to be redeemed, the date of redemption,

the place or places where the redemption will be made, including the name and address of the Bond Registrar, the redemption price, the CUSIP numbers (if any) assigned to the Bonds to be redeemed, the Bond numbers of the Bonds to be redeemed in whole or in part and, in the case of any Bond to be redeemed in part only, the Principal Amount of such Bond to be redeemed, and the original issue date, interest rate or Accretion Rate and stated maturity date of each Bond to be redeemed in whole or in part. Such Redemption Notice shall further state that on the specified date there shall become due and payable upon each Bond or portion thereof being redeemed, the redemption price thereof, together with the interest accrued or accreted to the redemption date, and that from and after such date, interest with respect thereto shall cease to accrue or accrete.

The Bond Registrar shall take the following actions with respect to such Redemption Notice:

(a) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given to the respective Owners of Bonds designated for redemption by first class, registered or certified mail, postage prepaid, at their addresses appearing on the Bond Register.

(b) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, (ii) telephonically confirmed facsimile transmission, or (iii) overnight delivery service, to each of the Securities Depositories.

(c) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, or (ii) overnight delivery service, to one of the Information Services.

Neither failure to receive any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Bonds. Each check issued or other transfer of funds made by the Bond Registrar for the purpose of redeeming Bonds shall bear or include the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

(v) Partial Redemption of Bonds. Upon the surrender of any Bond redeemed in part only, the Bond Registrar shall execute and deliver to the Owner thereof a new Bond or Bonds of like tenor and maturity and of authorized denominations equal in Transfer Amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the County and the District shall be released and discharged thereupon from all liability to the extent of such payment.

(vi) Effect of Notice of Redemption. Notice having been given as aforesaid, and the moneys for the redemption (including the interest to the applicable date of redemption) having been set aside in the District's Debt Service Fund, the Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Bonds to be redeemed as provided in Section 5(b)(i) and (ii) hereof, together with interest accrued to such redemption date, shall be held by the Bond Registrar so as to be available therefor on such redemption date, and if notice of redemption thereof shall have been given as aforesaid, then from and after such redemption date, interest with respect to the Bonds to be redeemed shall cease to accrue or accrete and become

payable. All money held by or on behalf of the Bond Registrar for the redemption of Bonds shall be held in trust for the account of the Owners of the Bonds so to be redeemed.

All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of this Section 5 shall be cancelled upon surrender thereof and be delivered to or upon the order of the County and the District. All or any portion of a Bond purchased by the County or the District shall be cancelled by the Bond Registrar.

(vii) Bonds No Longer Outstanding. When any Bonds (or portions thereof), which have been duly called for redemption prior to maturity under the provisions of this Resolution, or with respect to which irrevocable instructions to call for redemption prior to maturity at the earliest redemption date have been given to the Bond Registrar, in form satisfactory to it, and sufficient moneys shall be held by the Bond Registrar irrevocably in trust for the payment of the redemption price of such Bonds or portions thereof, and, in the case of Current Interest Bonds, accrued interest with respect thereto to the date fixed for redemption, all as provided in this Resolution, then such Bonds shall no longer be deemed Outstanding and shall be surrendered to the Bond Registrar for cancellation.

(c) Book-Entry System.

(i) Definitions. As used in this Section, the terms set forth below shall have the meanings ascribed to them:

“Nominee” means the nominee of the Depository, which may be the Depository, as determined from time to time pursuant to this Section.

“Participants” means those broker-dealers, banks and other financial institutions from time to time for which the Depository holds book-entry certificates as securities depository.

(ii) Election of Book-Entry System. The Bonds shall initially be delivered in the form of a separate single fully-registered bond (which may be typewritten) for each maturity date of such Bonds in an authorized denomination (except for any odd denomination Capital Appreciation Bond). The ownership of each such Bond shall be registered in the Bond Register in the name of the Nominee, as nominee of the Depository and ownership of the Bonds, or any portion thereof may not thereafter be transferred except as provided in Section 5(c)(ii)(4).

With respect to book-entry Bonds, the District and the Bond Registrar shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds an interest in such book-entry Bonds. Without limiting the immediately preceding sentence, the District and the Bond Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in book-entry Bonds, (ii) the delivery to any Participant or any other person, other than an owner as shown in the Bond Register, of any notice with respect to book-entry Bonds, including any notice of redemption, (iii) the selection by the Depository and its Participants of the beneficial interests in book-entry Bonds to be prepaid in the event the District redeems the Bonds in part, or (iv) the payment by the Depository or any Participant or any other person, of any amount with respect to Accreted Value, Principal, premium, if any, or interest on the book-entry Bonds. The District and the Bond Registrar may treat and consider the person in whose name each book-entry Bond is registered in the Bond Register as the absolute owner of such book-entry Bond for the

purpose of payment of Accreted Value or Principal of and premium, if any, and interest on such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Bond Registrar shall pay all Accreted Value or Principal of and premium, if any, and interest on the Bonds only to or upon the order of the respective owner, as shown in the Bond Register, or his respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of Accreted Value or Principal of, and premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an owner, as shown in the Bond Register, shall receive a certificate evidencing the obligation to make payments of Accreted Value or Principal of, and premium, if any, and interest on the Bonds. Upon delivery by the Depository to the owner and the Bond Registrar, of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to the Record Date, the word Nominee in this Resolution shall refer to such nominee of the Depository.

1. Delivery of Letter of Representations. In order to qualify the book-entry Bonds for the Depository's book-entry system, the District and the Bond Registrar shall execute and deliver to the Depository a Letter of Representations. The execution and delivery of a Letter of Representations shall not in any way impose upon the District or the Bond Registrar any obligation whatsoever with respect to persons having interests in such book-entry Bonds other than the owners, as shown on the Bond Register. By executing a Letter of Representations, the Bond Registrar shall agree to take all action necessary at all times so that the District will be in compliance with all representations of the District in such Letter of Representations. In addition to the execution and delivery of a Letter of Representations, the District shall take such other actions, not inconsistent with this Resolution, as are reasonably necessary to qualify book-entry Bonds for the Depository's book-entry program.

2. Selection of Depository. In the event (i) the Depository determines not to continue to act as securities depository for book-entry Bonds, or (ii) the District determines that continuation of the book-entry system is not in the best interest of the beneficial owners of the Bonds or the District, then the District will discontinue the book-entry system with the Depository. If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or direct the preparation of a new single, separate, fully registered bond for each maturity date of such book-entry Bond, registered in the name of such successor or substitute qualified securities depository or its Nominee as provided in subsection (4) hereof. If the District fails to identify another qualified securities depository to replace the Depository, then the Bonds shall no longer be restricted to being registered in such Bond Register in the name of the Nominee, but shall be registered in whatever name or names the owners transferring or exchanging such Bonds shall designate, in accordance with the provisions of this Section 5(c).

3. Payments to Depository. Notwithstanding any other provision of this Resolution to the contrary, so long as all outstanding Bonds are held in book-entry and registered in the name of the Nominee, all payments with respect to Accreted Value or Principal of and premium, if any, or interest on the Bonds and all notices with respect to such Bonds shall be made and given, respectively to the Nominees, as provided in the Letter of Representations or as otherwise instructed by the Depository and agreed to by the Bond Registrar notwithstanding any inconsistent provisions herein.

4. Transfer of Bonds to Substitute Depository.

(A) The Bonds shall be initially issued as described in the Official Statement described herein. Registered ownership of such Bonds, or any portions thereof, may not thereafter be transferred except:

(1) to any successor of DTC or its nominee, or of any substitute depository designated pursuant to Section 5(c)(ii)(4)(A)(2) ("Substitute Depository"); provided that any successor of DTC or Substitute Depository shall be qualified under any applicable laws to provide the service proposed to be provided by it;

(2) to any Substitute Depository designated by the District, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the District that DTC (or its successor) is no longer able to carry out its functions as depository; provided that any such Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(3) to any person as provided below, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the District that DTC or its successor (or Substitute Depository or its successor) is no longer able to carry out its functions as depository.

(B) In the case of any transfer pursuant to Section 5(c)(ii)(4)(A)(1) or (2), upon receipt of all outstanding Bonds by the Bond Registrar, together with a written request of the District to the Bond Registrar designating the Substitute Depository, a single new Bond, which the District shall prepare or cause to be prepared, shall be executed and delivered for each maturity of Bonds then outstanding, registered in the name of such successor or such Substitute Depository or their Nominees, as the case may be, all as specified in such written request of the District. In the case of any transfer pursuant to Section 5(c)(ii)(4)(A)(3), upon receipt of all outstanding Bonds by the Bond Registrar, together with a written request of the District to the Bond Registrar, new Bonds, which the District shall prepare or cause to be prepared, shall be executed and delivered in such denominations and registered in the names of such persons as are requested in such written request of the District, provided that the Bond Registrar shall not be required to deliver such new Bonds within a period of less than sixty (60) days from the date of receipt of such written request from the District.

(C) In the case of a partial redemption or an advance refunding of any Bonds evidencing a portion of the Maturity Value or Principal maturing in a particular year, DTC or its successor (or any Substitute Depository or its successor) shall make an appropriate notation on such Bonds indicating the date and amounts of such reduction in Maturity Value or Principal, in form acceptable to the Bond Registrar, all in accordance with the Letter of Representations. The Bond Registrar shall not be liable for such Depository's failure to make such notations or errors in making such notations.

(D) The District and the Bond Registrar shall be entitled to treat the person in whose name any Bond is registered as the owner thereof for all purposes of this Resolution and any applicable laws, notwithstanding any notice to the contrary received by the Bond

Registrar or the District; and the District and the Bond Registrar shall not have responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Bonds. Neither the District nor the Bond Registrar shall have any responsibility or obligation, legal or otherwise, to any such beneficial owners or to any other party, including DTC or its successor (or Substitute Depository or its successor), except to the Owner of any Bonds, and the Bond Registrar may rely conclusively on its records as to the identity of the owners of the Bonds.

**SECTION 6. Execution of Bonds.** The Bonds shall be executed by the Chairman of the Board of Supervisors of the County and the Treasurer by their manual or facsimile signatures and countersigned by the manual or facsimile signature of and the seal of the County affixed thereto by the Executive Officer-Clerk of the Board of Supervisors, all in their official capacities. No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under this Resolution unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under this Resolution and is entitled to the security and benefit of this Resolution.

**SECTION 7. Bond Registrar; Transfer and Exchange.** This Board does hereby appoint the Treasurer to act as the Bond Registrar performing the services of authenticating agent, bond registrar, transfer agent and paying agent for the Bonds. The Treasurer is authorized to contract with any third party to perform the services of Bond Registrar under this Resolution.

So long as any of the Bonds remain Outstanding, the District will cause the Bond Registrar to maintain and keep at its principal office the Bond Register as provided in this Section. Subject to the provisions of Section 8 below, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of this Resolution. Payment of or on account of the Principal or Accreted Value of and premium, if any, and interest on any Bond shall be made only to or upon the order of that person; neither the District, the County nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the District's liability upon the Bonds, including interest, to the extent of the amount or amounts so paid.

Any Bond may be exchanged for Bonds of like tenor, maturity and Transfer Amount upon presentation and surrender at the principal office of the Bond Registrar, together with a request for exchange signed by the Owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. A Bond may be transferred on the Bond Register only upon presentation and surrender of the Bond at the principal office of the Bond Registrar together with an assignment executed by the Owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer, the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of like tenor and of any authorized denomination or denominations requested by the Owner equal to the Transfer Amount of the Bond surrendered and bearing or accruing interest at the same rate and maturing on the same date. Capital Appreciation Bonds and Current Interest Bonds may not be exchanged for one another.

If any Bond shall become mutilated, the County, at the expense of the Owner of said Bond, shall execute, and the Bond Registrar shall thereupon authenticate and deliver, a new Bond of like series, tenor and Transfer Amount in exchange and substitution for the Bond so mutilated, but only upon surrender to the Bond Registrar of the Bond so mutilated. If any Bond issued hereunder shall

be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Bond Registrar and, if such evidence be satisfactory to the Bond Registrar and indemnity for the Bond Registrar, the County and the District satisfactory to the Bond Registrar shall be given by the Owner, the County, at the expense of the Bond owner, shall execute, and the Bond Registrar shall thereupon authenticate and deliver, a new Bond of like tenor in lieu of and in substitution for the Bond so lost, destroyed or stolen (or if any such Bond shall have matured or shall have been called for redemption, instead of issuing a substitute Bond the Bond Registrar may pay the same without surrender thereof upon receipt of indemnity satisfactory to the Bond Registrar). The Bond Registrar may require payment of a reasonable fee for each new Bond issued under this paragraph and of the expenses which may be incurred by the County and the Bond Registrar.

If manual signatures on behalf of the County are required in connection with an exchange or transfer, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the County. In all cases of exchanged or transferred Bonds, the County shall sign and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of this Resolution. All fees and costs of transfer shall be paid by the requesting party. Those charges may be required to be paid before the procedure is begun for the exchange or transfer. All Bonds issued upon any exchange or transfer shall be valid obligations of the District, evidencing the same debt, and entitled to the same security and benefit under this Resolution as the Bonds surrendered upon that exchange or transfer.

Any Bond surrendered to the Bond Registrar for payment, retirement, exchange, replacement or transfer shall be cancelled by the Bond Registrar. The District and the County may at any time deliver to the Bond Registrar for cancellation any previously authenticated and delivered Bonds that the District and the County may have acquired in any manner whatsoever, and those Bonds shall be promptly cancelled by the Bond Registrar. As requested by the County, written reports of the surrender and cancellation of Bonds shall be made to the District and the County by the Bond Registrar. The cancelled Bonds shall be retained for two years, then destroyed by the Bond Registrar.

Neither the District, the County nor the Bond Registrar will be required (a) to issue or transfer any Bonds during a period beginning with the opening of business on the 15<sup>th</sup> day of the month next preceding any Bond Payment Date or 15<sup>th</sup> day preceding any date of selection of Bonds to be redeemed and ending with the close of business on the Bond Payment Date or any day on which the applicable notice of redemption is given or (b) to transfer any Bonds which have been selected or called for redemption in whole or in part.

**SECTION 8. Payment.** Payment of interest on any Current Interest Bond on any Bond Payment Date shall be made to the person appearing on the registration books of the Bond Registrar as the Owner thereof as of the Record Date immediately preceding such Bond Payment Date, such interest to be paid by check mailed to such Owner on the Bond Payment Date at his address as it appears on such registration books or at such other address as he may have filed with the Bond Registrar for that purpose on or before the Record Date. The Owner in an aggregate Principal Amount or Maturity Value of One Million Dollars (\$1,000,000) or more may request in writing to the Bond Registrar that such Owner be paid interest by wire transfer to the bank and account number on file with the Bond Registrar as of the Record Date. The principal, and redemption premiums, if any, payable on the Current Interest Bonds and the Accreted Value and redemption premiums, if any, on the Capital Appreciation Bonds shall be payable upon maturity or redemption upon surrender at the principal office of the Bond Registrar. The interest, Accreted Value, Principal and premiums, if

any, on the Bonds shall be payable in lawful money of the United States of America. The Bond Registrar is hereby authorized to pay the Bonds when duly presented for payment at maturity, and to cancel all Bonds upon payment thereof. The Bonds are general obligations of the District and do not constitute an obligation of the County except as provided in this Bond Resolution. No part of any fund of the County is pledged or obligated to the payment of the Bonds.

**SECTION 9. Form of Bonds.** The Bonds shall be in substantially the following form, allowing those officials executing the Bonds to make the insertions and deletions necessary to conform the Bonds to this Resolution and the Contract of Purchase.

**SECTION 10. Delivery of Bonds.** The proper officials of the County shall cause the Bonds to be prepared and, following their sale, shall have the Bonds signed and delivered to the original purchaser upon payment of the purchase price therefor.

**SECTION 11. Deposit of Proceeds of Bonds.** The proceeds from the sale of the Bonds paid to the County for the account of the District pursuant to the terms of the Contract of Purchase, shall be paid to the County to the credit of the fund hereby created and established and to be known as the "El Segundo Unified School District, Election of 2008 General Obligation Bonds Series A Building Fund" (the "Building Fund") of the District, shall be kept separate and distinct from all other District and County funds, and those proceeds shall be used solely for the purpose for which the Bonds are being issued and provided further that such proceeds shall be applied solely to the purposes authorized at the Election. The County shall have no responsibility for assuring the proper use of the Bond proceeds by the District. The accrued interest and any premium received by the District from the sale of the Bonds shall be kept separate and apart in the fund hereby created and established and to be designated as the "El Segundo Unified School District, Election of 2008 General Obligation Bonds Series A Debt Service Fund" (the "Debt Service Fund") for the Bonds and used only for payment of Accreted Value or Principal of, premium, if any, and interest on the Bonds. Any excess proceeds of the Bonds not needed for the authorized purposes set forth herein for which the Bonds are being issued upon written notice from the District shall be transferred to the Debt Service Fund and applied to the payment of Accreted Value or Principal of, premium, if any, and interest on the Bonds. Costs associated with the issuance of the Bonds shall be paid by the District from moneys deposited in the Building Fund. Any premium on the Bonds paid to the District following the Underwriter's payment of costs of issuance shall be paid to the County and be deposited in the Debt Service Fund.

Subject to federal tax restrictions, monies in the funds created hereunder shall be invested in any lawful investment permitted by Sections 16429.1 and 53601 of the Government Code of the State of California (the "Government Code") or in shares in a California common law trust established pursuant to Title 1, Division 7, Chapter 5 of the Government Code which invests exclusively in investments permitted by Section 53635 of the Government Code.

Except as required below to satisfy the requirements of Section 148(f) of the Internal Revenue Code of 1986, as amended (the "Code"), interest earned on the investment of monies held in the Debt Service Fund shall be retained in the Debt Service Fund and used by the County to pay the Accreted Value or Principal of and interest on the Bonds when due.

**SECTION 12. Rebate Fund.**

(a) The District shall create and establish a special fund designated the "El Segundo Unified School, Election of 2008 General Obligation Bonds Series A Rebate Fund" (the "Rebate Fund"). All amounts at any time on deposit in the Rebate Fund shall be held in trust, to the extent required to satisfy the requirement to make rebate payments to the United States (the "Rebate Requirement") pursuant to Section 148 of the Code, and the Treasury Regulations promulgated thereunder (the "Treasury Regulations"). Such amounts shall be free and clear of any lien hereunder and shall be governed by this Section and by the Tax Certificate to be executed by the District.

(b) Within forty-five (45) days of the end of each fifth Bond Year (as such term is defined in the Tax Certificate), (1) the District shall calculate or cause to be calculated with respect to the Bonds the amount that would be considered the “rebate amount” within the meaning of Section 1.148-3 of the Treasury Regulations, using as the “computation date” for this purpose the end of such Bond Year, and (2) the District shall deposit to the Rebate Fund from amounts on deposit in the other funds established hereunder or from other District funds, if and to the extent required, amounts sufficient to cause the balance in the Rebate Fund to be equal to the “rebate amount” so calculated. The District shall not be required to deposit any amount to the Rebate Fund in accordance with the preceding sentence, if the amount on deposit in the Rebate Fund prior to the deposit required to be made under this subsection (b) equals or exceeds the “rebate amount” calculated in accordance with the preceding sentence. Such excess may be withdrawn from the Rebate Fund to the extent permitted under subsection (g) of this Section. The District shall not be required to calculate the “rebate amount” and shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b), with respect to all or a portion of the proceeds of the Bonds (including amounts treated as proceeds of the Bonds) (1) to the extent such proceeds satisfy the expenditure requirements of Section 148(f)(4)(B) or Section 148(f)(4)(C) of the Code or Section 1.148-7(d) of the Treasury Regulations, whichever is applicable, and otherwise qualify for the exception to the Rebate Requirement pursuant to whichever of said sections is applicable, (2) to the extent such proceeds are subject to an election by the District under Section 148(f)(4)(C)(vii) of the Code to pay a one and one-half percent (1½%) penalty in lieu of arbitrage rebate in the event any of the percentage expenditure requirements of Section 148(f)(4)(C) are not satisfied, or (3) to the extent such proceeds qualify for the exception to arbitrage rebate under Section 148(f)(4)(A)(ii) of the Code for amounts in a “bona fide debt service fund.” In such event, and with respect to such amounts, the District shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b).

(c) Any funds remaining in the Rebate Fund after payment of all the Bonds and any amounts described in paragraph (2) of subsection (d) of this Section, or provision made therefor satisfactory to the District, including accrued interest, shall be remitted to the District.

(d) Subject to the exceptions contained in subsection (b) of this Section to the requirement to calculate the “rebate amount” and make deposits to the Rebate Fund, the District shall pay to the United States, from amounts on deposit in the Rebate Fund,

(1) not later than sixty (60) days after the end of (i) the fifth (5th) Bond Year, and (ii) each fifth (5th) Bond Year thereafter, an amount that, together with all previous rebate payments, is equal to at least 90% of the “rebate amount” calculated as of the end of such Bond Year in accordance with Section 1.148-3 of the Treasury Regulations; and

(2) not later than sixty (60) days after the payment of all Bonds, an amount equal to one hundred percent (100%) of the “rebate amount” calculated as of the date of such payment (and any income attributable to the “rebate amount” determined to be due and payable) in accordance with Section 1.148-3 of the Treasury Regulations.

(e) In the event that, prior to the time any payment is required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such payment is due, the District shall calculate (or have calculated) the amount of such deficiency and deposit an amount equal to such deficiency into the Rebate Fund prior to the time such payment is due.

(f) Each payment required to be made pursuant to subsection (d) of this Section shall be made to the Internal Revenue Service Center, Ogden, Utah 84201 (or at such other address as is then designated by the Internal Revenue Service), on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, such form to be prepared or caused to be prepared by the District.

(g) In the event that immediately following the calculation required by subsection (b) of this Section, but prior to any deposit made under said subsection, the amount on deposit in the Rebate Fund exceeds the "rebate amount" calculated in accordance with said subsection, the District may withdraw the excess from the Rebate Fund and credit such excess to the Debt Service Fund.

(h) The District shall retain records of all determinations made hereunder until six years after the complete retirement of the Bonds.

(i) Notwithstanding anything in this Resolution to the contrary, the rebate requirement shall survive the payment in full or defeasance of the Bonds.

(j) Any of the foregoing provisions may be modified upon receipt of an opinion of nationally recognized bond counsel that such modification will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds.

**SECTION 13. Security for the Bonds.** There shall be levied on all the taxable property in the District, in addition to all other taxes, a continuing direct *ad valorem* tax annually during the period the Bonds are outstanding in an amount sufficient to pay the Accreted Value, Principal of, premium, if any, and interest on the Bonds when due, which monies when collected will be placed in the Debt Service Fund of the District, which fund is irrevocably pledged for the payment of the Accreted Value, Principal of, premium, if any, and interest on the Bonds when and as the same fall due. The Bonds are the general obligation bonds of the District and do not constitute an obligation of the County except as expressly provided in this Resolution. No part of any fund or account of the County is pledged or obligated to the payment of the Bonds or the interest thereon.

**SECTION 14. Tax and Arbitrage Covenants.** The County acknowledges that the District has covenanted that it shall not take any action, or fail to take any action if such action or failure to take such action would adversely affect the exclusion from gross income for federal income tax purposes of the interest payable on the Bonds and that it will restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary, so that the Bonds will not constitute arbitrage bonds under Section 148 of the Code and the applicable regulations prescribed under that Section or any predecessor section. Calculations for determining arbitrage requirements are the sole responsibility of the District.

**SECTION 15. Conditions Precedent.** Based in part on representations of the District, this Board determines that all acts and conditions necessary to be performed by the Board or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligation bonds of the District have been performed and have been met, or will at the time of delivery of the Bonds, have been performed and have been met, in regular and due form as required by law; that the *ad valorem* taxes to be levied by the County on behalf of the District are pledged for the timely payment of the Accreted Value, Principal of and interest on the Bonds; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

**SECTION 16. Official Statement.** The District has authorized preparation of a Preliminary Official Statement and Official Statement relating to the Bonds to be used in connection with the offering and sale of the Bonds in such time and manner as to conform with the requirements of Rule 15c2-12 of the Securities and Exchange Commission.

The District has further authorized the Underwriter to distribute copies of the Preliminary Official Statement and Official Statement to persons who may be interested in the purchase of the Bonds and deliver copies of any final Official Statement to the purchaser of the Bonds.

**SECTION 17. Insurance.** In the event the District purchases bond insurance for the Bonds, and to the extent that the Bond Insurer makes payment of the principal, interest or Accreted Value on the Bonds, it shall become the owner of such Bonds with the right to payment of principal, interest or Accreted Value on the Bonds, and shall be fully subrogated to all of the Owners' rights, including the Owners' rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims that were past due interest components, the Bond Registrar shall note the Bond Insurer's rights as subrogee on the registration books for the Bonds maintained by the Bond Registrar upon receipt of a copy of the cancelled check issued by the Bond Insurer for the payment of such interest to the Owners of the Bonds, and (ii) in the case of subrogation as to claims for past due Principal or Accreted Value, the Bond Registrar shall note the Bond Insurer as subrogee on the registration books for the Bonds maintained by the Bond Registrar upon surrender of the Bonds by the Owners thereof to the Bond Insurer or the insurance trustee for the Bond Insurer. The Bond Registrar shall request payment pursuant to the terms of any bond insurance policy to the extent required to pay the Principal of and interest on the Bonds when due if amounts on deposit in the Debt Service Fund are not adequate for that purpose.

**SECTION 18. Defeasance.** All or any portion of the outstanding maturities of the Bonds may be defeased prior to maturity in the following ways:

(a) Cash: by irrevocably depositing with the County or with an independent escrow agent selected by the District, and satisfactory to the County, an amount of cash which together with amounts then on deposit in the Debt Service Fund is sufficient to pay all Bonds outstanding and designated for defeasance, including all principal and interest and premium, if any; or

(b) Government Obligations: by irrevocably depositing with the County or with an independent escrow agent selected by the District, and satisfactory to the County, noncallable Government Obligations together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant, satisfactory to the County, together with interest to accrue thereon and moneys then on deposit in the Debt Service Fund together with the interest to accrue thereon, be fully sufficient to pay and discharge all Bonds outstanding and designated for defeasance (including all principal and interest represented thereby and prepayment premiums, if any) at or before their maturity date;

then, notwithstanding that any of such Bonds shall not have been surrendered for payment, all obligations of the District and the County with respect to all such designated outstanding Bonds shall cease and terminate, except only the obligation of the County and the Bond Registrar or an independent escrow agent selected by the District, and satisfactory to the County, to pay or cause to be paid from funds deposited pursuant to paragraphs (a) or (b) of this Section, to the owners of such designated Bonds not so surrendered and paid all sums due with respect thereto.

For purposes of this Section, Government Obligations shall mean:

Direct and general obligations of the United States of America (which may consist of obligations of the Resolution Funding Corporation that constitute interest strips), or obligations that are unconditionally guaranteed as to principal and interest by the United States of America, or "prerefunded" municipal obligations rated in the highest rating category by Moody's Investors Service or Standard & Poor's. In the case of direct and general obligations of the United States of America, Government Obligations shall include evidences of direct ownership of proportionate interests in future interest or principal payments of such obligations. Investments in such proportionate interests must be limited to circumstances where (a) a bank or trust company acts as custodian and holds the underlying United States obligations; (b) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States obligations; and (c) the underlying United States obligations are held in a special account, segregated from the custodian's general assets, and are not available to satisfy any claim of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; provided that such obligations are rated or assessed "AAA" by Standard & Poor's or "Aaa" by Moody's Investors Service.

**SECTION 19. Amendments.** (a) The County may from time to time (which may be at the request of the District, made in writing), and at any time, without notice to or consent of any of the Owners, by action of the Board, amend the provisions of this Resolution for any of the following reasons:

(1) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein, or to make any other provision with respect to matters or questions arising under this Resolution, provided that such action shall not adversely affect the interests of the Bond owners;

(2) to add to the covenants and agreements of and the limitations and the restrictions upon the District contained in this Resolution which are not contrary to or inconsistent with this Resolution as theretofore in effect; and

(3) to modify, alter, amend or supplement this Resolution in any other respect which is not materially adverse to the Bond owners.

In the event of any such amendment, the County shall promptly provide the District and the Bond Registrar with copies of such amendment and the action of the Board approving such amendment.

(b) This Resolution, and the rights and obligations of the County, the District and of the Owners of the Bonds issued hereunder, may be modified or amended by a supplemental resolution with the written consent of Owners owning at least 60% in aggregate Bond Obligation of the Outstanding Bonds, exclusive of Bonds, if any, owned by the County or the District; provided, however, that no such modification or amendment shall, without the express consent of the Owner of each Bond affected, reduce the Principal Amount or Accreted Value of any Bond, reduce the interest rate payable thereon, advance the earliest redemption date thereof, extend its maturity or the times for paying interest thereon or change the monetary medium in which Principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment

or modification. Notwithstanding anything herein to the contrary, no such consent shall be required if the Owners are not directly and adversely affected by such amendment or modification.

(c) Any act done pursuant to a modification or amendment so consented to shall be binding upon the Owners of all the Bonds and shall not be deemed an infringement of any of the provisions of this Resolution, whatever the character of such act may be, and may be done and performed as fully and freely as if expressly permitted by the terms of this Resolution, and after consent relating to such specified matters has been given, no Owner shall have any right or interest to object to such action or in any manner to question the propriety thereof or to enjoin or restrain the County or the District or any officer or agent of either from taking any action pursuant thereto.

(d) Notwithstanding any other provision herein, the provisions of this Resolution as they relate to the terms of the Bonds may be amended by the Contract of Purchase and the Official Statement.

**SECTION 20. Other Actions.** Officers of the Board and County officials and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

**SECTION 21. Continuing Disclosure.** The District has covenanted and agreed that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Any Owner may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this Section. The failure of the District to comply with the Continuing Disclosure Certificate shall not constitute a default hereunder nor shall any Owner be permitted to monetary damages for failure of the District to comply.

**SECTION 22. Unclaimed Funds.** Notwithstanding any other provisions of this Resolution, any monies held in any fund created pursuant to this Resolution, or by the Bond Registrar in trust, for the payment of the Principal of, redemption premium, if any, interest or Accreted Value on the Bonds and remaining unclaimed for one year after the principal of all of the Bonds have become due and payable (whether by maturity or upon prior redemption) shall be, after payment in full of the Bonds, transferred to the general fund of the District to be applied in accordance with law; provided, however, that the Bond Registrar, before making such transfer, shall cause notice to be mailed to the Owners of all Bonds that have not been paid, by first-class mail at the addresses on the Bonds Register, postage prepaid, no less than 90 days prior to the date of such transfer. Thereafter, the District shall have all responsibility and liability for the payment of such Bonds.

**SECTION 23. Effective Date.** This Resolution shall take effect immediately upon its passage.

Between the date hereof and the Closing, the market price or marketability or the ability of the Underwriter to enforce contracts for the sale of the Bonds, at the initial offering prices set forth in the Official Statement, shall not have been materially adversely affected in the reasonable judgment of the Underwriter (evidenced by a written notice to the County and the District terminating the obligation of the Underwriter to accept delivery of and pay for the Bonds) by reason of any of the following:

(1) legislation enacted or introduced in the Congress or recommended for passage by the President of the United States, or a decision rendered by a court established under Article III of the Constitution of the United States or by the United States Tax Court, or an order, ruling, regulation (final, temporary or proposed) or official statement issued or made:

(i) by or on behalf of the United States Treasury Department, or by or on behalf of the Internal Revenue Service, with the purpose or effect, directly or indirectly, of causing inclusion in gross income for purposes of federal income taxation of the interest received by the owners of the Bonds; or

(ii) by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, to the effect that the Bonds, or obligations of the general character of the Bonds, including any and all underlying arrangements, are not exempt from registration under the Securities Act of 1933, as amended;

(2) the declaration of war or engagement in major military hostilities by the United States or the occurrence of any other national emergency or calamity relating to the effective operation of the government or the financial community in the United States;

(3) the declaration of a general banking moratorium by federal, New York or California authorities, or the general suspension of trading on any national securities exchange;

(4) the imposition by the New York Stock Exchange, other national securities exchange, or any governmental authority, of any material restrictions not now in force with respect to the Bonds, or obligations of the general character of the Bonds, or securities generally, or the material increase of any such restrictions now in force, including those relating to the extension of credit by, or the charge to the net capital requirements of, the Underwriter;

(5) an order, decree or injunction of any court of competent jurisdiction, or order, filing, regulation or official statement by the Securities and Exchange Commission, or any other governmental agency issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Bonds, or the issuance, offering or sale of the Bonds, as contemplated hereby or by the Official Statement, is or would be in violation of the federal securities laws, as amended and then in effect;

(6) the withdrawal or downgrading of any rating of the District's outstanding indebtedness by a national rating agency; or

(7) any event occurring, or information becoming known which, in the reasonable judgment of the Underwriter, makes untrue in any material adverse respect any statement or information contained in the Official Statement, or has the effect that the Official Statement contains any untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading.

### **FORM OF OPINION OF COUNTY COUNSEL**

**§ \_\_\_\_\_**  
**EL SEGUNDO UNIFIED SCHOOL DISTRICT**  
**COUNTY OF LOS ANGELES, CALIFORNIA**  
**ELECTION OF 2008 GENERAL OBLIGATION BONDS SERIES A**

Ladies and Gentlemen

This opinion is rendered as counsel to the County of Los Angeles (the "County") in connection with the issuance by the El Segundo Unified School District (the "District") of its Election of 2008 General Obligation Bonds, Series A in the aggregate principal amount of \$\_\_\_\_\_ ("Bonds"). The Bonds are being issued pursuant to a resolution of the Board of Supervisors of the County adopted on \_\_\_\_\_, 2009 (the "County Resolution"), at the request of the District made pursuant to a resolution adopted by the Board of Trustees of the District on December 9, 2008 (the "District Resolution").

In rendering this opinion, we have examined the County Resolution and such other documents, records and instruments and made such investigations of law and fact as we have deemed necessary to render the opinions expressed herein.

Based upon the foregoing, and solely with respect to the laws of the State of California (the "State"), we are of the opinion, as of the date hereof, that:

1. The County is a political subdivision duly organized and existing pursuant to the Constitution and the laws of the State of California.

2. The County Resolution approving and authorizing the execution and delivery of the Purchase Contract and the issuance of the Bonds was duly adopted at a meeting of the governing body of the County which was called and held pursuant to law and with all public notice required by law and at which a quorum was present and acting at the time of adoption, has not been modified, amended, rescinded or revoked and is in full force and effect on the date hereof.

3. There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending, in which service of process has been completed on the County, or, to the best knowledge of the County, threatened against the County (a) affecting the existence of the County or the titles of its officers who have acted with respect to the proceedings for issuance and sale of the Bonds to their respective officers; (b) seeking to prohibit, restrain or enjoin the execution of the Purchase Contract or the issuance of the Bonds or in any way contesting or affecting the validity or enforceability of the Bonds, the Purchase Contract, or the County Resolution; (c) contesting the powers of the County or its authority to enter into, adopt or perform its obligations under the County Resolution or the Purchase Contract; or (d) seeking to restrain or enjoin the levy or collection of tax revenues pledged for payment of the Bonds.

4. The Purchase Contract has been duly authorized, executed and delivered by the County and the Bonds have been duly authorized by the County, executed by the County on behalf of

the District and delivered by the County and, assuming due authorization, execution and delivery by the other parties thereto, the Purchase Contract will constitute the legal, valid and binding agreement of the County enforceable against the County in accordance with its terms.

With respect to the opinions we have expressed, enforcement of the rights and obligations under the County Resolution, the Purchase Contract and the Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium or other laws affecting the enforcement of creditors' rights generally, by the application of equitable principles if equitable remedies are sought, and by limitations on legal remedies imposed in actions against public entities in the State. We express no opinion as to the availability of equitable remedies in connection with enforcement of the County Resolution, the Purchase Contract or the Bonds.

Very truly yours,

## **RESOLUTION NO. 12/2008-09**

A RESOLUTION OF THE BOARD OF EDUCATION OF THE EL SEGUNDO UNIFIED SCHOOL DISTRICT, LOS ANGELES COUNTY, CALIFORNIA, REQUESTING THE BOARD OF SUPERVISORS OF THE COUNTY OF LOS ANGELES TO SELL ELECTION OF 2008 GENERAL OBLIGATION BONDS SERIES A OF THE DISTRICT IN A PRINCIPAL AMOUNT NOT TO EXCEED \$14,000,000 AND APPROVING CERTAIN OTHER MATTERS RELATED THERETO

WHEREAS, a duly called election was held in the El Segundo Unified School District (the "District"), Los Angeles County (the "County"), State of California, on November 4, 2008, at which the following proposition ("Measure M") was submitted to the qualified electors of the District:

"To support high academic achievement, enhance student safety, and improve the 80 year old auditorium and the athletic facilities frequently used by the community, by repairing outdated wiring and plumbing, improving energy efficiency, reducing water use, and mitigating safety hazards and accessibility issues, shall the El Segundo Unified School District issue up to \$14,000,000 in bonds at legal interest rates, with all funds used locally, an independent citizens' oversight committee, annual audits and NO money for administrator salaries?"

WHEREAS, at such election Measure M received the affirmative vote of more than fifty-five percent (55%) of the qualified electors of the District voting on the proposition as certified by the Registrar of Voters of the County of Los Angeles in the official canvassing of votes; and

WHEREAS, at this time the Board of Education of the District has determined that it is necessary and desirable to request the Board of Supervisors to issue a first series of general obligation bonds pursuant to the Measure M authorization in an aggregate principal amount not to exceed \$14,000,000 to be designated as the "El Segundo Unified School District Election of 2008 General Obligation Bonds Series A" (the "Bonds"); and

WHEREAS, Education Code Section 15140 provides that the Board of Supervisors of the County shall issue bonds on behalf of the District following adoption of a resolution of the Board of Education; and

WHEREAS, there has been presented to this Board of Education at this meeting the form of a Contract of Purchase (the "Purchase Contract") to be entered into by and among the District, the County and Piper Jaffray & Co. (the "Underwriter") and the form of a Continuing Disclosure Certificate (the "Continuing Disclosure Certificate") between the District and U.S. Bank National Association, as Dissemination Agent; and

WHEREAS, the Auditor-Controller of the County of Los Angeles (the "Auditor") has requested the District to provide to the Auditor with (i) the date that the District anticipates issuing the Bonds, (ii) the anticipated principal amount of the Bonds, (iii) a statement that the amount of the Bonds is within the District's authorization and (iv) a statement that either the superintendent or an appropriate assistant superintendent is authorized by this Board to provide a debt service estimate to the Auditor with respect to the Bonds; and

WHEREAS, all acts, conditions and things required by law to be done or performed have been done and performed in strict conformity with the laws authorizing the issuance of general obligation bonds of the District, and the indebtedness of the District, including the proposed issue of Bonds, is within all limits prescribed by law;

NOW, THEREFORE, BE IT FOUND, DETERMINED AND RESOLVED BY THE BOARD OF EDUCATION OF THE EL SEGUNDO UNIFIED SCHOOL DISTRICT, LOS ANGELES COUNTY, CALIFORNIA, AS FOLLOWS:

**Section 1.** Each of the above recitals is true and correct.

**Section 2.** In order to raise money for the purposes described in Measure M and to pay all necessary legal, financial, engineering and contingent costs in connection therewith, in accordance with the provisions of Education Code Section 15140, the Board of Education hereby petitions the Board of Supervisors of the County to issue the Bonds in a principal amount not to exceed \$14,000,000 and to order such Bonds sold at a negotiated sale to the Underwriter. The Bonds shall bear or accrete interest at a rate which for the issue as a whole shall not exceed 12.00% per annum payable on the dates set forth in the Purchase Contract with principal maturing on the dates and in the amounts set forth in the Purchase Contract, not to exceed more than 25 years from the date of issuance of the Bonds. The discount paid to the Underwriter, exclusive of amounts applied by the Underwriter to pay costs of issuance and original issue discount, shall not exceed 2.0% of the principal amount of the Bonds.

The Bonds may be issued as Current Interest Bonds and/or Capital Appreciation Bonds as set forth in the Purchase Contract, subject to the provisions of a resolution of the Board of Supervisors of the County relating to the Bonds (the "County Resolution").

The Board of Supervisors of the County is hereby authorized to set the terms of the optional and mandatory redemption of the Bonds in the Purchase Contract and to provide in the County Resolution the method of giving notice of redemption to holders of Bonds to be redeemed.

**Section 3.** The Board of Education does hereby authorize the appointment of an authenticating agent, bond registrar, transfer agent and paying agent (collectively, the "Paying Agent") for the Bonds by the Board of Supervisors of the County on behalf of the District.

**Section 4.** The District hereby covenants for the benefit of the owners of the Bonds that it will restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary, so that the Bonds will not constitute arbitrage bonds under Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"), and the applicable regulations prescribed under that section or any predecessor section. The District will not make any use of the proceeds of the Bonds or any other funds of the District, or take or omit to take any other action, that would cause the Bonds to be "private activity bonds" within the meaning of Section 141 of the Code or "federally guaranteed" within the meaning of Section 149(b) of the Code. To that end, so long as any Bonds are unpaid, the District, with respect to such proceeds and such other funds, will comply with all requirements of such sections of the Code and all regulations of the United States Department of the Treasury issued thereunder and under Section 103 of the Code, to the extent such requirements are, at the time, applicable and in effect. In addition, the District will not use or permit the use of its facilities or any portion thereof by any person other than a governmental unit as such term is used in

Section 141 of the Code, in such manner or to such extent as would result in the loss of exclusion from gross income for federal income tax purposes of the interest paid on the Bonds.

In furtherance of the foregoing tax covenants, the District agrees to comply with the covenants contained in the Tax Certificate (the "Tax Certificate") to be executed by the District on the date of delivery of the Bonds. The District hereby agrees to deliver instructions to the County and the Paying Agent in order to comply with the Tax Certificate. These covenants shall survive the payment in full or defeasance of the Bonds.

**Section 5.** The Clerk of the Board of Education is hereby directed to file a certified copy of this Resolution with the Board of Supervisors of the County and the Treasurer-Tax Collector of the County (the "Treasurer").

**Section 6.** The estimated cost associated with the issuance of the Bonds, including municipal bond insurance, if any, and Underwriter's discount is expected to be approximately 3.0% of the principal amount of the Bonds. The District has previously retained the services of Stradling Yocca Carlson & Rauth, a Professional Corporation to serve as Bond Counsel and Caldwell Flores Winters, Inc. as Financial Advisor to the District. The fees of Bond Counsel and the Financial Advisor will be paid as part of the costs of issuance.

**Section 7.** The Board of Education determines that all acts and conditions necessary to be performed by the Board of Education or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligation bonds of the District have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

**Section 8.** The District hereby covenants to spend all proceeds of the Bonds in accordance with applicable law, including, but not limited to, Chapters 1 and 1.5 of Part 10, Division 1, Title 1 of the California Education Code of the State of California (commencing with Section 15100), as amended, and Article XIII A of the California Constitution.

**Section 9.** The form of the Purchase Contract presented at this meeting is hereby approved. Each of the President of the Board of Education and the Superintendent and his designee, is hereby authorized and directed for and in the name of the District to execute the Purchase Contract in substantially the form hereby approved, with such additions thereto and changes therein as are recommended or approved by Bond Counsel to the District or County Counsel and approved by the officer or officers executing such agreement; provided, however, that the Purchase Contract shall be executed only if the aggregate principal amount of the Bonds is equal to or less than \$14,000,000 and the discount paid to the Underwriter (exclusive of original issue discount and costs of issuance paid by the Underwriter) does not to exceed 2.0% of the principal amount of the Bonds. The Board hereby authorizes the sale of the Bonds at a negotiated sale, which is determined to provide more flexibility in the timing of the sale, an ability to implement the sale in a shorter time period, an increased ability to structure the Bonds to fit the needs of particular purchasers, and a greater opportunity for the Underwriter to pre-market the Bonds to potential purchasers prior to the sale, all of which will contribute to the District's goal of achieving the lowest overall cost of funds. Each of the Superintendent and his designee, is hereby authorized and directed for and in the name of the District to solicit bids for municipal bond insurance for the Bonds and to purchase such insurance if

such officer, on the basis of information provided by the Underwriter, determines that such insurance will result in net interest cost savings for the District that exceeds the cost of such insurance.

**Section 10.** The form of the Continuing Disclosure Certificate presented at this meeting is hereby approved. Each of President of the Board of Education, the Superintendent or his designee, and the Clerk of the Board of Education is hereby authorized and directed for and in the name of the District to execute the Continuing Disclosure Certificate in substantially the form hereby approved, with such additions thereto and changes therein as are recommended or approved by Bond Counsel to the District or County Counsel and approved by the officer or officers executing such agreement. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Any Bondholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this Section. Noncompliance with this Section shall not result in an event of default or acceleration of the Bonds.

**Section 11.** Each of the Superintendent and his designee is hereby authorized by this Board to provide a debt service estimate with respect to the Bonds to the Auditor and to provide the Auditor with any additional information needed in order to place *ad valorem* taxes on the tax roll to repay the Bonds. The District expects that the Bonds will be issued on or about February 5, 2009 in the principal amount of \$14,000,000.

**Section 12.** Members of the Board of Education, the Superintendent and other District employees are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

**Section 13.** This Resolution shall take effect immediately upon its passage.
